Initial reception date	
Reception date	
Transferred from	
Triage date	!
Client stated sexual orientation	
Religion or belief	
Disability 1	
Disability 2	
Disability 3	
Housing situation *(red)*	
Time since last paid employment	
Veteran of the British armed forces	
Ever received money or goods in exchange for sex *(red)*	
Ever been the victim of domestic abuse *(red)*	
Ever abused someone close to them *(red)*	
Pregnant	
Parental responsibility for a child aged under 18	
Do any of these children live with the client	
How many children under 18 in total live in client house	
What help are the children receiving (1)	
What help are the children receiving (2)	
What help are the children receiving (3)	
Problem substance number 1	
Problem substance number 2	
Problem substance number 3	
Injecting status	
AUDIT score	
Hep B intervention status	✓
Hep C intervention status	✓
Hep C latest test date	✓
HIV status	✓
HIV latest test date *(red)*	✓
Dual diagnosis	
Engaged in any mental health interventions	
Discharge date	
Discharge reason	
Used Psychoactive Substances (PS) during episode	✓
Exit date	
Exit reason	
Exit destination	
Referral on release status	
Sentenced	
Take home Naloxone and training	
Referred to Hep C treatment	
Received treatment for mental health during current stay	
Referred for alcohol-related liver disease	✓
Provided with Reconnect support *(red)*	
Threatened with homelessness in 56 days following exit *(red)*	

Client

Item	
Initial of client's first name	!
Initial of client's surname	!
Client birth date	!
Client sex at registration of birth	!
Ethnicity	
Country of birth	

Intervention

Item	
Treatment intervention	!
Intervention start date	!
Intervention end date	

TOP

Item	
TOP date	!

KEY

Items that should be updated over time (eg at scheduled reviews)	✓
Data items that, if changed, will generate a 'missing' record that will need to be resolved in the next NDTMS submission	!
Items in red are new Core Dataset Q items that should be collected from 1st April 2022	Red text
Items in bold refer to prior to entering custody	**Bold**

NDTMS Core Dataset Q

Secure setting interventions

	Adult dataset interventions	YP dataset interventions
Clinical	Opioid reduction – methadone Opioid reduction – buprenorphine Opioid maintenance – methadone Opioid maintenance – buprenorphine Benzodiazepines detoxification Lofexidine Naltrexone pre-release Opioid re-induction Alcohol prescribing Opioid maintenance – buprenorphine depot injection (e.g. Buvidal) Opioid reduction – buprenorphine depot injection (e.g. Buvidal)	Specialist pharmacological intervention
Psychosocial	Structured day programme Psychosocial intervention mental disorder Other structured psychosocial intervention Other structured intervention Alcohol brief intervention	Counselling Cognitive behavioural therapy Motivational interviewing Relapse prevention Family work Specialist harm reduction

NDTMS date sequence timeline – secure settings

Reception Date
- The date the client was received into current secure estate
- Expected to be same as Initial Reception Date if this is client's first secure estate in this period of custody, or after if client has been transferred from another secure estate

Initial Reception Date
- The date the client first received into any secure estate for this continuous period in custody
- Expected to be the same as the Reception Date if the client has not been transferred from another secure estate
- Expected to be before the Reception Date if client has transferred from another secure estate

Triage Date.
- The date of the first face to face contact with either the clinical or psychosocial substance misuse team in the secure estate
- Can be same as or after the Reception Date

Care Plan Start Date
- Date a care plan was created and agreed with the client
- Expected to be same as or after the Triage Date
- Expected to be same as or before Modality Start Date and Discharge Date

Modality Start Date
- The date the selected intervention started
- Can be same as or after the Triage date and Care Plan Start Date

Modality End Date
- The date the selected intervention has ended
- Can be same as (if brief intervention) but usually after Modality Start Date
- Can be before or same as discharge date

Discharge Date
- The date the client stopped receiving both clinical and psychosocial structured treatment in the secure estate
- A client can finish treatment and remain in the current secure estate

Exit Date
- The date the client left the current secure estate
- Can be the same as or after Discharge Date
