	EHCSC
	Early Help - the needs of the child and family have been assessed and they are receiving
Early Help (family support)	targeted early help services as defined by Working Together to Safeguard Children 2015
	(HM Govt.).
	Child in need – the needs of the child and family have been assessed by a social worker
Child in need (LA service)	and services are being provided by the local authority under Section 17 of the Children
	Act 1989.
	Has a child protection plan - social worker has led enquiries under Section 47 of the
Has a child protection plan	Children Act 1989. A child protection conference has determined that the child remains
(LA service)	at continuing risk of 'significant harm' and a multi-agency child protection plan has
	been formulated to protect the child.
	Looked after child - arrangements for the child have been determined following statu-
Looked after child	tory intervention and care proceedings under the Children Act 1989. Looked after
(LA service)	children may be placed with parents, foster carers (including relatives and friends), in
	children's homes, in secure accommodation or with prospective adopters
No	Children are not receiving early help nor are they in contact with children's services.
Other relevant child or	
family support service
